

**TATA INTERNATIONAL LIMITED**  
**WHISTLEBLOWER POLICY**

## 1. Preface

- a. The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behaviour. Towards this end, the Company has adopted the Tata Code of Conduct (“the Code”), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code requiring employees to report violations, which states:

### ***“Clause: 25 Reporting Concerns***

*“Every employee of a Tata company shall promptly report to the management, and / or third-party ethics helpline, when she / he becomes aware of any actual or possible violation of the Code or an event of misconduct, act of misdemeanor or act not in the company’s interest. Such reporting shall be made available to suppliers and partners, too.*

*Any Tata employee can choose to make a protected disclosure under the whistleblower policy of the company, providing for reporting to the chairperson of the audit committee or the board of directors or specified authority. Such a protected disclosure shall be forwarded, when there is reasonable evidence to conclude that a violation is possible or has taken place, with a covering letter, which shall bear the identity of the whistleblower.*

*The company shall ensure protection to the whistleblower and any attempts to intimidate him/her would be treated as a violation of the Code”*

- b. Section 177 (9) of the **Companies Act, 2013** mandates the following classes of companies to constitute a vigil mechanism –
  - > Every listed company;
  - > Every other company which accepts deposits from the public;
  - > Every company which has borrowed money from banks and public financial institutions in excess of Rs. 50 crores.

Further, Regulation 4(d)(iv) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) mandates every company listed on the Indian Stock

Exchanges to inter alia devise an effective whistle blower mechanism enabling stakeholders, including individual employees and their representative bodies, to freely communicate their concerns about illegal or unethical practices. Regulation 46(2) of the Listing Regulations requires every listed entity to disseminate details of establishment of vigil mechanism/ Whistle Blower policy on its website. Part C of Schedule II read with Regulation 18(3) of the Listing Regulations empowers the Audit Committee to review the functioning of the whistle blower mechanism.

- c. Accordingly, this **Whistleblower Policy** (“the Policy”) has been formulated with a view to provide a mechanism for Directors and employees of the Company to approach the Chief Ethics Counselor / Chairman of the Audit Committee of the Company.

- b. The Chief Ethics Counselor / Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Chief Ethics Counselor / Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistleblower that an improper or unethical act was committed.
- d. The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.

- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.

No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Sub<sup>1</sup>ject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k. The investigation shall be completed normally within 60 days of the receipt of the Protected Disclosure and may be extendable by such period as the Audit Committee deems fit.

## **8. Protection**

- a. No unfair treatment will be meted out to a Whistleblower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistleblowers. Complete protection will, therefore, be given to Whistleblowers against any unfair practice like retaliation, threat or

intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistleblower's right to continue to perform his/her duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistleblower may experience as a result of making the Protected Disclosure. Thus, if the Whistleblower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistleblower to receive advice about the procedure, etc.

- b. A Whistleblower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.
- c. Investigations will be launched only after a preliminary review which establishes that:
  - i. the alleged act constitutes an improper or unethical activity or conduct, and

- ii. either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an investigation of an improper or unethical activity.

**10. Decision**

If an investigation leads the Chief Ethics Counselor / Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, the Chief Ethics Counselor / Chairman of the Audit Committee shall recommend to the Management of the Company to take such disciplinary or corrective action as the Chief Ethics Counselor / Chairman of the Audit Committee deems fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.
