LEATHER AND LEATHER PRODUCTS

LEATHER AND LEATHER PRODUCTS

GARMENTS:

Our key strengths are our trend forecast, design and development capabilities, stringent quality control standards and ability to deliver on time that is underwritten by agile manufacturing and global logistics support.

> Garments

> Fashion Leather

FASHION AND LIFESTYLE LEATHER :

Our fashion and lifestyle leather tannery supplies a wide range of finished leathers to some of the world's leading manufacturers of footwear, apparel, handbags and accessories.

PERFORMANCE LEATHER

Our performance leather division offers fully integrated leather and component manufacturing capabilities to our customers. Utilizing the latest technology, our tannery produces a range of world-class upholstery leathers designed to meet the rigorous standards required in today's furniture and automotive industries.

> Performance Leather

> Footwear

FOOTWEAR:

Our shoe-making capability is exhibited in different constructions such as lasted shoes, strobel, water-proof shoes, PU direct injection and performance shoes, where highly skilled craftsmen make premium footwear for all categories, creating the creaseless elegant shoe.

TATA COMMITMENT

INTEGRITY

We must conduct our business fairly, with honesty and transparency. Everything we do must stand the test of public scrutiny.

UNDERSTANDING

We must be caring, show respect, compassion and humanity for our colleagues and customers around the world, and always work for the benefit of the communities we serve.

EXCELLENCE

We must be caring, show respect, compassion and humanity for our colleagues and customers around the world, and always work for the benefit of the communities

UNITY

We must work cohesively with our colleagues across the group and with our customers and partners around the world, building strong relationships based on tolerance, understanding and mutual cooperation

RESPONSIBILITY

We must continue to be responsible, sensitive to the countries, communities and environments in which we work, always ensuring that what comes from the people goes back to the people many times over.

ENVIRONMENT AND QUALITY

ECO-FRIENDLY LEATHER

- In house eco friendly leather manufacturing process has been developed which is chrome free.
